

## **Forced “Medical” Immunizations and forced “Medical” Experiments**

From 1933 to 1945, ...The Nazis enlisted the help of physicians and medically trained geneticists, psychiatrists, and anthropologists to develop racial health policies. ... [used] mass sterilization of many people in hospitals and other institutions ... . At the German concentration camps ... scientists used camp inmates to test immunization compounds and antibodies for the prevention and treatment of contagious diseases, including malaria, typhus, tuberculosis, typhoid fever, yellow fever, and infectious hepatitis. ... **Experimental vaccine shots mandated.**

**Without “the shot”, you can’t work, feed your family or travel.**

**Resist Tyranny.**

**Hopefully, Tyrants of today will stop acts of compounding tyranny so America can avoid a repeat of –  
“The shot heard round the world”**
