**DATE: Saturday - March 14, 2020 1000 HRS. (A.M.)**

**WHY IS THIS BEING DONE?**

**TO PREPARE FOR EVACUATIONS DUE TO WILDFIRE RISK.**

**WHAT WILL BE DONE?**

**Step 1: A DRILL EMERGENCY TONE (LONG TONE T REPEATED 5 TIMES) WILL SOUND ON CH 1. KEEP RADIO WITH YOU ON CH. 1. FOLLOW INSTRUCTIONS GIVEN BY VILLAGE LEAD.**

**Step 2: RADIO OPERATORS, WILL BE REQUESTED TO GO OUTSIDE THEIR HOMES (AWAY FROM THE BUILDINGS) AND SOUND EITHER THEIR:**

**CAR HORN OR**

**AIR SIGNAL HORNS (US COAST GUARD),**

***BY BLASTING THE HORN WITH A LONG BLAST LASTING 10 SECONDS WHILE TURNING IN A 360 DEGREE CIRCLE. Pause and Repeat one time.***

**[Must wear ear protection]**

**Step 3: Each Radio Operator will then drive SLOWLY AND SAFELY from their home towards Hwy. 44 and Shasta FOREST Drive (AS IF EVACUATING), and blast their CAR HORN OR AIR SIGNAL HORN WITH A LONG BLAST LASTING 10 SECONDS as they drive. *PAUSE, and repeat until they get to Shasta Forest Drive and Bambi.* **[Must wear ear protection]****

**STOP BLASTING HORNS AT THIS POINT.**

**Step 4: Return home and check into the VILLAGE NET and advise as to the route they took and whether they used a car horn or air horn.**
